FinalDocx® products are made available through Affordable Burial & Cremation.

FinalDocx® is as simple as A.B. C

Our staff will use the application to collect all pertinent data such as vital statistics (name, address, phone number etc.).

You will receive a verification e-mail to submit specifics about the estate.

The database will then verify the information is accurate and file the case with the authorities.

The system will then send you a detailed report. Simple...As A.B.C
